

## TOUR ITINERARY PRIZREN

The picturesque town of Prizren is located on the south-eastern part of the country and it is designated as the historical capital of Kosovo. A lot of Christian and Muslim monuments make this town unique. Prizren is one of the oldest settlements in Kosovo and the western Balkans. Prizren has been traditionally identified with the settlement of Theranda in Roman Dardania.

The full day tour will be a walking tour in the city center and visiting some of the iconic monuments of the city, such as: The Sinan Pasha Mosque, Orthodox Church of Saint George, Catholic Church, Albanian League of Prizren, traditional houses and museums etc.

The participants will have the chance of seeing and learning the Kosovan filigree tradition.

## END OF THE TOUR: Kalaja Fortress

Prizren Fortress is a hilltop fortification overlooking the river which flows through Prizren, which developed around the fortress. The fortress is situated on a dominant hill at the eastern part of the town of Prizren, set on a strategic position, contoured with lines that follow distinguished features of the terrain's natural morphology. While in Prizren city centre, you will have a chance to close your visit in this which is reachable after 20 min walking uphill.

**LUNCH** will be served in one of the many restaurants in the city centre.

The tour will start by picking up the group at 10:00 in ITP and returning to ITP at 19:00.
