Our sponsors! Huh?

Thanks to existing sponsors of Debian and DebConf, which helped make this possible.

Future editions may have sponsoring slots that we could use for t-shirts if there is demand (as if there's any question :p)

Onwards and upwards!

We learned a lot this weekend!

Thanks for all the feedback so far, we aim to build on what we've learned this weekend and do more of these in the future.

If you'd like to get involved, join us on #minidebconf-online where we'll continue discussions.
